

Wellness BioSciences Rx

Get instant relief from aches & pains.

Combining the medicinal benefits of CBD with the cooling, soothing properties of our proprietary cooling balm formula, WBRx Relief Balm provides instant relief when applied directly to sore or aching areas. WBRx Relief Balm's non-greasy formula absorbs quickly for immediate cooling relief while the benefits of the CBD continue to work in your body even after the cooling has worked its magic. Ask your doctor if WBRx Relief Balm might be right for you.
